

Where in the Dorm Can I Go?

- I. Boys and girls are permitted to be in the lounge, recreation room, and office of either dorm. They are also allowed in the study rooms and health center.
- II. **No students are allowed to have visitors of the opposite sex visit their rooms under any circumstances. They may only meet in the common areas.**
 - a. Students hosting or attempting to host members of the opposite sex in their rooms may be subject to dismissal from the Residential Life Program.
- III. Students may only visit other rooms of the same gender, but should not enter a room if the person who lives there is not present. Students should not visit other rooms during Study Hall or after curfew without permission. If this occurs, both the visitor and the host will receive consequences.
